## Future Challenges

1. Continuing to provide teachers and support staff with professional development and other supports to meet the needs of students with complex needs.
2. Recruitment of teachers to replace anticipated retirements over the next decade, particularly in areas of French Immersion, High School Sciences and Career and Technology Studies.
3. Continuing to build leadership capacity in order to ensure there are adequate numbers of qualified candidates for leadership roles at school and divisional levels.
4. Continuing to deliver programs for staff which address their wellness needs, and include strategies for maintaining and enhancing positive relationships with stakeholders and promoting strong interdependency.

The Division will continue to implement the following strategies in 2011/12.

## Divisional Action Plan

- Continue to build capacity within our teaching and support staff who support students with complex needs by supporting teachers with Learning Coaches and offering a Boot Camp program for Educational Assistants to enhance and build their skills.
- Provide in-services for school and Divisional staff on fostering corporate wellness through strong skills in interdependent problem-solving and communication (The 7 Habits of Highly Effective People, Great Leaders, Great Teams, Great Results, Leading at the Speed of Trust).
- Continue to build capacity within our school and Division office support staff by identifying and offering appropriate professional development opportunities.
- Continue with the development and implementation of new employee orientation programs.
- Continue to build on leadership programs offered by the Division including Exploring Leadership and New Administrator Orientation.

## Staffing

### Number of Teaching, Support, And Centre for Education Staff

The Board of Trustees believes that one of the most valued resources within the Division is its staff. Recognizing its responsibility for developing and maintaining a school system infrastructure that meets the educational needs of students, the Board alters the jurisdiction's infrastructure to respond to changing environmental demands such as increasing or declining enrolments, financial restrictions, changing program needs or shifting priorities.

### Teacher Recognition

Alberta Education's Excellence in Teaching Award is one of the most prestigious awards available to teaching staff. Each year, teachers across the province who excel at achieving positive results in student learning and attitudes and who motivate students to exceed their own expectations, can be nominated by school communities to be recognized as one of the 125 award finalists from across the province or 20 provincial award recipients.

The Edwin Parr Teacher Award is another significant means of recognizing instructional excellence. Sponsored by the Alberta School Boards Association (ASBA), the award is given to first-year teachers who are deemed to be individuals displaying excellence in their knowledge of student learning styles; are skilled in utilizing a variety of instructional and evaluation methodologies; exercise interpersonal skills with students; and show involvement in professional development, extra-curricular and community activities.
