SCHOOL JURISDICTION MANAGEMENT'S RESPONSIBILITY FOR FINANCIAL REPORTING

The financial statements of Parkland School Division No. 70 presented to Alberta Education have been prepared by school jurisdiction management which has responsibility for their preparation, integrity and objectivity. The financial statements, including notes, have been prepared in accordance with generally accepted accounting principles and follow format prescribed by Alberta Education.

In fulfilling its reporting responsibilities, management has maintained internal control systems and procedures designed to provide reasonable assurance that the school jurisdiction's assets are safeguarded, that transactions are executed in accordance with appropriate authorization and that accounting records may be relied upon to properly reflect the school jurisdiction's transactions. The effectiveness of the control systems is supported by the selection and training of qualified personnel, an organizational structure that provides an appropriate division of responsibility and a strong system of budgetary control.

Board of Trustees Responsibility

The ultimate responsibility for the financial statements lies with the Board of Trustees. The Board reviewed the audited financial statements with management in detail and approved the financial statements for release.

External Auditors

The Board appoints external auditors to audit the financial statements and meets with the auditors to review their findings. The external auditors were given full access to school jurisdiction records.

Declaration of Management and Board Chairman

To the best of our knowledge and belief, these financial statements reflect, in all material respects, the financial position and results of operations and cash flows for the year in accordance with generally accepted accounting principles and follow the financial reporting requirements prescribed by Alberta Education.

Independent Auditor's Report

**To the Board of Trustees of
Parkland School Division No. 70**

We have audited the accompanying financial statements of Parkland School Division No. 70, which comprise the balance sheet as at August 31, 2011 and the statements of revenue and expenses, cash flows, changes in net assets and capital allocations for the year then ended, and the related notes including a summary of significant accounting policies.

Management's responsibility for the financial statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian generally accepted accounting principles, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Canadian generally accepted auditing standards. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained in our audit is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements present fairly, in all material respects, the financial position of Parkland School Division No. 70 as at August 31, 2011 and the results of its operations, cash flows, changes in net assets and capital allocations for the year then ended in accordance with Canadian generally accepted accounting principles.

PARKLAND SCHOOL DIVISION NO. 70
Notes to the Financial Statements
Year Ended August 31, 2011

1. Authority and Purpose

Parkland School Division No. 70 delivers education programs under the authority of the School Act, Chapter S3, Statutes of Alberta, January 1, 2000

The School Division receives block allocations for Instruction, Support and Capital purposes under Regulation 77/2003. The Regulation limits funding and expenses for administration. It permits the School Division, within specified limits, to reallocate funding between the instruction and support blocks.

2. Summary of Significant Accounting Policies

The financial statements are prepared in accordance with Canadian generally accepted accounting principles and accounting policies consistent with those prescribed by Alberta Education for Alberta school jurisdictions. The precise determination of many assets and liabilities is dependent on future events. As a result, the preparation of financial statements for a period involves the use of estimates and approximations, which have been made using careful judgment. Actual results could differ from those estimates and approximations. The financial statements have, in management's opinion, been prepared within reasonable limits of materiality and within the framework of the significant accounting policies summarized below:

Revenue Recognition

Revenue from the Provincial and Federal governments for instruction and support is recognized in the year to which they relate.

Fees for services related to courses and programs are recognized as revenue when such courses and programs are delivered.

Unrestricted donations are recognized as revenue when received or receivable. Donations in-kind are recorded at fair market value when reasonably determinable.

Externally restricted contributions are deferred and recognized as revenue in the period in which the restriction is complied with.

Capital allocations from the province or other agencies are recorded as deferred capital contributions until spent. Once spent, they are transferred to unamortized capital allocations which are amortized to revenue on the same basis as the property and equipment asset acquired by the grant.

Vacation Pay

Vacation pay is recorded in the period in which it is earned

School Generated Funds

Funds generated from school based activities are included as assets, liabilities, revenues and expenses of the School Division because the accountability and control/ownership of these funds rests with School Division officials or their appointee(s).

PARKLAND SCHOOL DIVISION NO. 70
Notes to the Financial Statements
Year Ended August 31, 2011

Property and Equipment

Property and equipment are recorded at cost and amortized over their estimated useful lives on a straight line basis at the following rates:

Buildings	2 5% to 4%
Equipment	20% to 25%
Vehicles	10% and 20%

Property and equipment are amortized in the year following the acquisition. Only property and equipment with costs in excess of \$5,000 are capitalized. Any capital allocations received for asset additions are amortized over the same period as the related asset.

Amortization

Amortization expense is reflected as a period expense on the statement of revenues and expenses and results in a reduction to operating reserves and unrestricted net assets. However, an amount equal to the amortization of supported assets is recorded as revenue. Amortization expense results in a transfer from investment in capital assets to unrestricted net assets on the statement of changes in net assets. The transfer from investment in capital assets to unrestricted net assets offsets the effect of the amortization expense of the period resulting in no change to the accumulated surplus.

Contributed Services

Volunteers assist schools operated by the School Division in carrying out certain activities. Because of the difficulty of determining their fair value and of the fact that such assistance is generally not otherwise purchased, contributed services are not recognized in the financial statements.

Pensions

Pension costs included in these statements comprise the cost of employer contributions for current service of employees during the year.

The current service and past service costs of the Alberta Teacher Retirement Fund are met by contributions by active members and the Government of Alberta. Under the terms of the Teachers Pension Plan Act, the Parkland School Division No. 70 does not make pension contributions for certificated staff.

The School Division participates in the multi-employer pension plan, Local Authorities Pension Plan. At August 31, 2011, the School Division's expense for this pension plan is equivalent to the annual contributions of \$1,105,658 (2010 - \$1,022,441). At December 31, 2010, the Pension Plan reported an actuarial deficiency of \$4,635,250,000 (2009- \$3,998,614,000 deficiency). Effective for the 2008-2009 fiscal year, the Government of Alberta has taken responsibilities of the LAPP unfunded liabilities.

Internally restricted net assets

Reserves created by authorization of the Board of Trustees represent allocations for future capital expenditures and future operating expenses. The capital reserves are established and expended in accordance with terms and conditions established by the Board of Trustees.

PARKLAND SCHOOL DIVISION NO. 70
Notes to the Financial Statements
Year Ended August 31, 2011

Capital Debt

Capital debt interest is recorded as an expenditure in the financial statements. Grants are receivable from Alberta Treasury for the interest expense and principal payments made on supported debt. The grant amounts received or receivable for the interest expense have been recorded as revenue in the financial statements. The total principal repayments on supported debt have been recorded to the debenture debt liability and equity in capital assets.

Financial Instruments

The Division's financial instruments consist of cash, trust assets, account receivable, accounts payable and accrued liabilities, trust liabilities, and long term debt. It is management's opinion that the jurisdiction is not exposed to significant interest, currency or credit risks arising from these financial instruments. Unless otherwise noted, the fair values of these financial instruments approximate their carrying values.

Held-to-maturity: Financial instruments that are initially recognized at their fair values and subsequently measured at amortized cost using the effective interest method. Impairment losses are charged in the period which they arise

Held-for-trading: Financial instruments that are carried at fair value with changes in fair value charged or credited to expenses in the period in which they arise.

Loans and receivables: Items that are initially recognized at fair value, with any resulting premium or discount from the face value being amortized to income or expense using the effective interest method. Impairment losses are charged in the period which they arise

Available-for-sale: Financial instruments that are carried at fair value with changes in the fair value charged or credited to net assets. Impairment losses are charged in the period which they arise

Other financial liabilities. Items that are initially measured at cost or amortized cost, depending upon the nature of the instrument, with any resulting premium or discount from the face value being amortized to revenues or expenses using the effective interest method.

CICA Handbook Section 3861 – "Financial Instruments – Disclosure and Presentation" establishes standards for presentation of financial instruments and non-financial derivatives, and identifies information that should be disclosed regarding the significance of financial instruments to an entity's financial position, performance and cash flows. The Division adopted this section in its 2008 financial statements. CICA handbook Sections 3862 and 3863 expand on the disclosure requirements of section 3861, including quantitative and qualitative analysis of each type of risk arising from financial instruments. Not-for-profit organizations are permitted to apply Section 3861 in place of Sections 3862 and 3863, which the Division has elected to do

Notes to the Financial Statements
Year Ended August 31, 2011

12. Related Party Transactions

Effective 2005-2006, school jurisdictions are controlled by the Government of Alberta according to criteria set out in PSAB 1300. All entities consolidated or accounted for on a modified equity basis in the accounts of the Government of Alberta are now related parties of school jurisdictions. These include government departments, health authorities, post-secondary institutions and other school jurisdictions in Alberta.

	<u>Balances</u>		<u>Transactions</u>	
	<u>Assets (cost or net realizable value)</u>	<u>Liabilities (fair value)</u>	<u>Revenues</u>	<u>Expenses</u>
Government of Alberta				
Education	\$ 106,928	\$ -	\$ 88,337,901	\$ -

Other				
Post-secondary institutions	-	-	-	1,213
Other Alberta school jurisdictions	13,615	-	57,372	303,171
TOTAL 2010-2011	<u>\$ 155,601</u>	<u>\$ 744,530</u>	<u>\$88,731,893</u>	<u>\$ 546,821</u>
TOTAL 2009-2010	<u>\$ 797,484</u>	<u>\$ 1,255,480</u>	<u>\$84,026,478</u>	<u>\$ 635,009</u>

13. Economic Dependence on Related Third Party

The School Division's primary source of income is from the Alberta Government. The School Division's ability to continue viable operations is dependent on this funding.

14. Contingencies

The School Division is a member of the Alberta School Boards Insurance Exchange. Under the terms of membership, the School Division could become liable for its proportionate share of any claim losses in excess of the funds held by the exchange. Any liability incurred will be accounted for as a current transaction in the year the losses are determined.

PARKLAND SCHOOL DIVISION NO. 70
Notes to the Financial Statements
Year Ended August 31, 2011

15. Asset Retirement Obligations

The School Division has applied the interpretations of the Canadian Institute of Chartered Accountants Emerging Issues Committee abstract 159 "Conditional Asset Retirement Obligations" (EIC-159). Under EIC-159, a liability should be recognized if the entity has sufficient information to reasonably estimate the fair value of the asset retirement obligation. The School Division has determined that it has a conditional asset retirement obligation relating to certain school sites. These obligations will be covered in the future by funding through the Alberta Government. The School Division believes that there is insufficient information to estimate the fair value of the asset retirement obligation because the settlement date or the range of potential settlement dates has not been specified and information is not available to apply an expected present value technique.

16. Budget Amounts

The budget was prepared by the School Division management with the Board of Trustees approval given on November 2, 2010. A revised budget based on student enrolments at September 30, 2010 is presented in these statements for information purposes only and has not been audited.

SCHOOL GENERATED FUNDS (SGF) - 2010/2011**

Unexpended SGF - Opening Balance August 31, 2010 (Note 1)			\$1,246,083
Sources of School Generated Funds:	Gross SGF	Related Expenses	Net SGF
Fundraising activities	\$1,729,776	\$1,525,055	\$204,721
Student fees (non-instructional) (note 1)	\$697,278	\$625,127	\$72,151
Donations and grants to schools	\$117,225	\$73,010	\$44,215
Other (describe):	\$132,368	\$89,545	\$42,823
Net Additions to SGF	\$2,676,647	\$2,312,737	\$363,910
Net SGF Available			\$1,609,993
Uses of Net School Generated Funds:			
Extra-curricular activities			\$150,380
Field trips			\$13,330
Other (describe): School beautification, Equipment and Family Literacy			\$396,690
Total Uses of Net SGF (Note 2)			\$560,400
Unexpended SGF - Closing Balance August 31, 2011 (Note 3)			\$1,049,593

School Generated Funds (SGF) are funds raised in the community for student activities that come under the control and responsibility of school management. These funds are usually collected and retained at the school for expenditures paid at the school level. SGF does not include any other funds collected at the school but remitted to central office and accounted for by central office (facility rentals, capital assets purchases, etc.)

Notes:

- 1 Excludes fees collected pursuant to Section 60(2)(j) of the School Act (fees related to instructional supplies or materials - essentially textbooks, resource materials in lieu of textbooks, media, software, and materials for classrooms). Fees charged for CEU-related activities are recorded as instruction resource fees, not SGF
- 2 The sum of "total related expenses" and "total uses of net SGF" is reported as "gross school generated funds" in the Statement of Revenues & Expenses.
- 3 Unexpended SGF is reported as SGF assets and SGF liabilities in the Statement of Financial Position.

SQUARE METRES									
School buildings									118,980.4
Non school buildings									10,873.7

Note:

Custodial: All expenses related to activities undertaken to keep the school environment and maintenance shops clean and safe.

Maintenance: All expenses associated with the repair, replacement, enhancement and minor construction of buildings, grounds and equipment components. This includes regular and preventative maintenance undertaken to ensure components reach or exceed their life cycle and the repair of broken components. Maintenance expenses exclude operational costs related to expensed IMR & Modular Unit relocations, as they are reported on separately.

Utilities & Telecommunications: All expenses related to electricity, natural gas and other heating fuels, sewer and water and all forms of telecommunications.

Expensed IMR & Modular Unit Relocations: All operational expenses associated with non-capitalized Infrastructure Maintenance Renewal projects (AKA IMP and BQRP) and modular unit (portable) relocations.

Facility Planning & Operations Administration: All expenses related to the administration of operations and maintenance including (but not limited to) contract administration, clerical functions, negotiations, supervision of employees & contractors, school facility planning & project 'administration', administration of joint-use agreements, and all expenses related to ensuring compliance with health and safety standards, codes and government regulations.

Supported Capital & Debt Services: All expenses related to supported capital assets amortization and interest on supported capital debt.
