Parkland Village School: Projected Enrolment

Recommendation A: Impacting Parkland Village School

Recommendation A: Option 1-3

Addressing projected space challenges at Prescott Learning Centre (PLC) and declining enrolment at Parkland Village School

(Pages 9-12 in the Attendance Area Review)

Suggested Change: Option 1

- Converting Parkland Village School to a K - 6 School.

Explore Further

Rationale:

- Addresses projected space challenges at Prescott Learning Centre by decreasing the number of students designated to Prescott
- Utilizes available space at Parkland Village School
- Addresses declining enrolment at Parkland Village
- Prescott's enrolment will increase in the coming years with development in new growth areas north, northwest and immediately

Recommendation A: Option 2

Suggested Change: Option 2

- Redirect Parkland Village School students to Greystone Centennial Middle School.

Not being considered

Rationale:

- This scenario would have significant ongoing transportation costs
- Redirecting students from PLV to Greystone increases Greystone's capacity to 97%

Recommendation A: Option 3

Suggested Change: Option 3

- Redirect Parkland Village School students to Woodhaven School instead of Prescott Learning Centre (PLC)

[Explore Further](#)

Rationale:

- Addresses projected space challenges at Prescott Learning Centre
- Increases enrolment and utilization rate at Woodhaven Middle School
- Provides necessary capacity at Prescott Learning Centre for new neighborhoods in the PLC attendance area

Recommendation K

and New School**

Suggested change:

Pre-designate parts of Pioneer Land and East Pioneer around the existing neighbourhoods of, Tonewood, Fenwyck and Easton to Brookwood and Woodhaven. Request a new school in Tonewood.

(Page 32 in the Attendance Area Review)

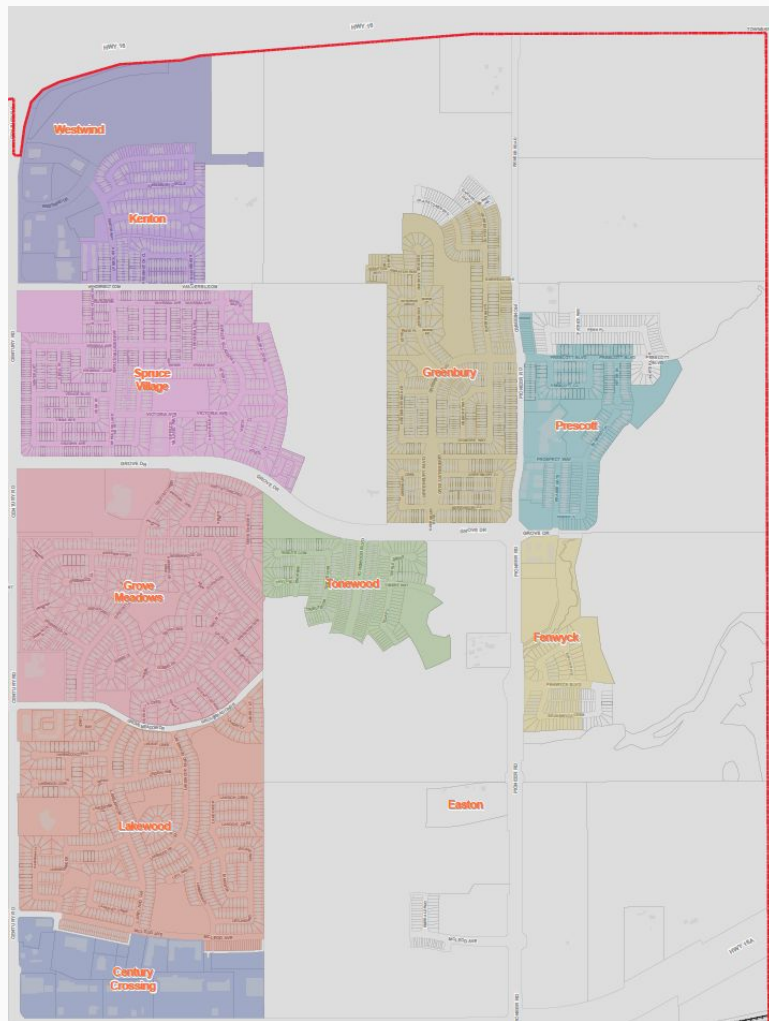

Rationale:

- Addresses future growth challenges in developing communities within Spruce Grove.

East Spruce Grove

Future growth
for Prescott
Learning
Centre

Considerations for Potential Attendance Area Exceptions

- Do we allow all 5 - 9 students to finish up at Prescott Learning Centre before moving?
- Do we allow just current Grade 7 - 9 (Junior High) students to finish up at Prescott Learning Centre?
- Is it economically sustainable to increase the number of buses to accommodate bus routes that run Parkland Village to Prescott Learning Centre and Woodhaven Middle School?
- Will School-of-Choice applications and fees apply should families wish to stay at Prescott Learning Centre?
- Would School-of-Choice fees no longer apply to those family that live in this area and currently attend Woodhaven Middle School already?

Next Steps:

- Survey will be sent to all Prescott Learning Centre families and staff
- Administration continues to collect information on this and all recommendations for the Board's consideration
- Survey/meet with potentially impacted students (age appropriate)
