SUBJECT 2023-2024 MEETING DATES

#### **PURPOSE**

For approval. Recommendation required.

### **RECOMMENDATION**

That the Board of Trustees approve the 2023-2024 Meeting Dates, as presented at the Organizational Meeting of June 20, 2023.

# **BACKGROUND**

As per Board Policy 7: Board Operations, Article 12.2., the Board approves "the schedule (date, time and place) for regular meetings and any additional required meetings shall be established", at the Organizational Meeting. Board Policy 12: Role of the Superintendent, Article 7, states that the Superintendent "provides the Board with information, advice and support required for the fulfillment of its governance role". This recommendation is in support of these responsibilities.

# **REPORT SUMMARY**

Every year, at the Organizational Meeting of the Board, a schedule of the meeting dates for Regular Board meetings, committee meetings and other various events is reviewed and approved for the ensuing school year.

Administration has proposed the following dates according to the 2023-2024 School Calendar and suggested dates that will allow the Board to participate in all board and committee meetings, engagements, school events and activities throughout the 2023-2024 school calendar year, and meet deadlines for action items requiring Board approval.

Administration would be pleased to respond to any questions.
