## Modular Submission Request

- 4 new replacement modulars for École Meridian Heights School,
- Funding to move 2 surplus modular classrooms from Stony Plain Central School to Copperhaven School,
- 9 new replacement modular classrooms at Blueberry School,
- 6 new replacement modular classrooms at Muir Lake School, and
- 6 new replacement modular classrooms at École Broxton Park School.

## Advocacy Update

As per PSD's [Board Policy 1](#): the Board shall establish and maintain governance and organizational structures that promote student well-being and success which includes an annual plan for advocacy. Recent Board activity related to advocacy includes:

- The Board submitted correspondence to Alberta Infrastructure and Alberta Education requesting the Government of Alberta include funding for the Horizon Stage as part of the Spruce Grove Composite High School capital project. Given joint ownership of Horizon Stage and the land its currently situated on, plus its importance to the region, the Board's hope is to have a replacement for Horizon Stage be a part of the replacement high school.
