

# MILESTONES & MERITS

## PARKLAND SCHOOL DIVISION

Each year, Parkland School Division's Board of Trustees honours the contributions of its staff. This year, they are pleased to celebrate the dedication of staff who have reached long service milestones, the outstanding efforts of the Edwin Parr nominees (outstanding first-year teachers), the Erik McConnell Inclusive Education Award and a nominee for the Prime Minister's Award for Teaching Excellence. They also honour community stakeholders with the Special Recognition Award, which is given to school community members who have demonstrated an outstanding commitment to children and youth. Congratulations to these employees and community members on their contributions to PSD's Ultimate Goal—Student Success and Well-being.
