

# MILESTONES & MERITS

## PARKLAND SCHOOL DIVISION NO. 70

Each year, our Board of Trustees honours the contributions of Division staff. This year, we celebrate the dedication of staff who have reached a long service milestone, been nominated for an Edwin Parr Teacher Award (given to outstanding first-year teachers), earned an Erik McConnell Inclusive Education Award or received other significant recognition. Congratulations to all recipients for their commitment to education and their support in achieving our Ultimate Goal of Student Success & Well-being.
