## Labour Action Recommendations

Following an in-camera session, the Board passed the following two recommendations.

- 1—That the Board of Trustees approves of taking lockout action as per the Labour Relations Code, to be potentially utilized within the next 120 days.
- 2—That the Board of Trustees only authorize a lockout if the Canadian Union of Public Employees (CUPE) Local 5543 strike action jeopardizes the safety of students or results in operationally untenable circumstances.

The recommendations align with common labour negotiation practices focused on sustaining a stable learning environment during periods of labour unrest.

## Advocacy Update

As per PSD's [Board Policy 2](#): the Board shall establish and maintain governance and organizational structures that promote student well-being and success which includes an annual plan for advocacy.

- The Board has concerns about the method of distribution of the federal funding for [Jordan's Principle](#). Trustees support the Public School Boards' Association of Alberta's advocacy related to this matter and have discussed if there is any further advocacy the Board could undertake.
